

Community Energy Efficiency Program

Grant Recipients Round One

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
Ross House Association	<i>Greening Ross House: A Place Where Community Groups Grow</i>	Upgrade the building heating, ventilation and air conditioning system.	VIC	\$395,500	\$806,000
Blacktown Workers Club Ltd	<i>Variable Speed Drives at Blacktown Workers Club</i>	Install electronic variable speed drives in two chilled water pumps in the club's main building.	NSW	\$32,683	\$65,366
Nazareth Catholic Community	<i>Nazareth Catholic Community Multi-Purpose Facility Energy Efficiency and Natural Lighting Project</i>	Install roof and wall skylights and upgrade lighting at the Nazareth Catholic Community multipurpose facility.	SA	\$35,110	\$70,220
Temora Aviation Museum Inc.	<i>Lighting Retrofit and Upgrade for Museum Public Exhibition Areas</i>	Upgrade lighting in the museum's two main public exhibition areas.	NSW	\$118,126	\$236,252
Multiple Sclerosis Society of Western Australia (Inc)	<i>Geothermal Heating and Cooling Pilot</i>	Upgrade the air conditioning and pool heating.	WA	\$60,113	\$120,226
Maitland City Bowls Sports and Recreation Club	<i>Trigeneration and Electric Duct Heating Retrofit</i>	Installation of a tri-generation system to upgrade heating and cooling for the club.	NSW	\$403,607	\$807,213

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
Castle Hill RSL Club Limited	<i>Installation of Trigeration System at Castle Hill RSL Club (Installation of a Containerised SEVA MAN 405 & Containerised HSA99H2 - Trigeration System)</i>	Installation of a tri-generation system to upgrade heating and cooling for the club.	NSW	\$495,402	\$990,804
Novita Children's Services	<i>Comprehensive Energy Efficiency Upgrade of Novita Children's Services Main Facility.</i>	Upgrade lighting, insulation and the building management system in the main facility.	SA	\$256,000	\$512,000
Ruah Community Services	<i>Operation Cool Gecko</i>	Retrofit lighting, apply insulation paints to roofs, draft-proof and install shower timers in eleven buildings.	WA	\$156,131	\$312,262
Merri Community Health Services Limited	<i>HVAC and lighting upgrade in Merri Community Health Services Ltd - 93 Bell Street Coburg</i>	Upgrade lighting and the heating, cooling and ventilation system in the community health centre.	VIC	\$200,000	\$400,000
Police and Community Youth Clubs NSW	<i>Lighting Retrofit PCYC NSW</i>	Retrofit lighting in 59 PCYC club buildings in NSW.	NSW	\$886,022	\$1,722,044
Southern Midlands Council	<i>Implementing and Promoting Energy Efficiency Solutions in Heritage Buildings Through Retrofitting the 1880's Southern Midlands Town Hall</i>	Retrofit the town hall for thermal efficiency and upgrade the lighting and heating systems.	TAS	\$25,646	\$59,098
City of Busselton	<i>Geothermal Heating of the City of Busselton Geographe Leisure Centre</i>	Upgrade the heating system of a number of buildings at the Geographe Leisure Centre using a geothermal heat source.	WA	\$533,206	\$1,066,412

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
Bass Coast Shire Council	<i>Bass Coast Shire Council Street Lighting Bulk Change</i>	Upgrade street lights across the council area.	VIC	\$291,747	\$1,029,489
South Gippsland Shire Council	<i>South Gippsland Shire Green Street Lighting Program</i>	Upgrade street lights across the council area.	VIC	\$172,812	\$606,821
Alice Springs Town Council	<i>Alice Springs Public Library - Air Conditioning upgrade</i>	Upgrade air conditioning in the Alice Springs Library.	NT	\$257,500	\$535,000
Gloucester Shire Council	<i>Air Conditioning Reconditioned in Gloucester Shire Councils Administration Building</i>	Upgrade air conditioning system in the administration building.	NSW	\$20,000	\$40,000
South West Sustainability Partnership	<i>The Great South Coast Street Smart Lighting Program</i>	Replace street lights across the following council areas: Colac Otway Shire Council Corangamite Shire Council Southern Grampians Shire Council Moyne Shire Council Warrnambool City Council. Glenelg Shire Council.	VIC	\$1,421,890	\$3,039,954
District Council Orroroo Carrieton	<i>Installation of Energy Management Systems, Lighting, Air-Conditioning to Council & Community Buildings and Infrastructures</i>	Retrofit the lighting and air conditioning and improve thermal efficiency in a number of buildings across the council area.	SA	\$79,075	\$158,650

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
Corangamite Shire Council	<i>Corangamite Shire Emission Reduction Scheme for Camperdown Depot and Camperdown Community Centre</i>	Retrofit the lighting, heating and air-conditioning systems and improve the thermal efficiency of the main community hub and works depot.	VIC	\$48,400	\$101,200
Cradle Coast Authority	<i>Portside Building Retrofit - Regional Showcase</i>	Retrofit lighting, ventilation, insulation, heating and cooling systems.	TAS	\$125,500	\$261,137
City of Kalgoorlie-Boulder	<i>Low Carbon and Energy Efficient Pool Heating for the Goldfields Oasis Leisure Centre</i>	Installation of a system of ground source heat pumps and solar thermal heating to replace the current natural gas fired heating system.	WA	\$622,725	\$1,325,856
Central NSW Councils	<i>Learning And Sharing Energy Efficiency Program in Central NSW</i>	Upgrade the lighting in 17 council owned facilities and upgrade pool heating and pumping in the pool complex.	NSW	\$1,123,861	\$2,514,487
Tumbarumba Shire Council	<i>Energy Efficient Upgrade of Tumbarumba's Water Supply Pumping Stations</i>	Upgrade pumps in the town's water supply pumping stations.	NSW	\$75,000	\$150,000
Western Australian Local Government Association	<i>WA Rural & Regional LED Street Light Retrofit - Pilbara Phase 1</i>	Retrofit street lighting across four remote locations in the Pilbara Region.	WA	\$538,968	\$1,092,936
Rural City of Wangaratta	<i>Cogeneration at Wangaratta Indoor Sports and Aquatic Centre</i>	Installation of a co-generation plant in two council-owned facilities to replace current heating systems.	VIC	\$310,000	\$625,000

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
Shire of Manjimup	<i>Installation of Energy Efficient Pumping and High Efficiency Pool and Space Heating Technologies at the Manjimup Regional AquaCentre</i>	Upgrade pool and space heating with ground source heat pumps, upgrade the existing process control hardware and software and install variable speed drives on pool circulation pumps.	WA	\$258,325	\$551,650
East Arnhem Shire Council	<i>East Arnhem Shire Council Street Lighting Replacement Project</i>	Upgrade street lighting in nine communities across the council area.	NT	\$219,528	\$434,056
Glen Eira City Council	<i>Implementation of Energy Saving Measures at Moorleigh Community Village</i>	Upgrade the lighting and hot water system.	VIC	\$49,380	\$98,760
Kingston City Council	<i>Kingston Arts Precinct Energy Efficiency Improvement Project</i>	Upgrade the lighting, heating cooling and ventilation system and install double glazing in the Kingston City Hall and the Kingston Arts Centre	VIC	\$375,000	\$750,000
City of Greater Bendigo	<i>Energy Efficiency Installations in Seven of City of Greater Bendigo's Highest Energy Using Facilities</i>	Upgrade lighting and heating, ventilation and cooling services in seven facilities.	VIC	\$380,000	\$760,000
Eastern Metropolitan Regional Council	<i>Re-energising Perth's Eastern Region: Energy Efficient Lighting, Air-Conditioning and Pool Pump Retrofits of Key Community Facilities in Perth's Eastern Region</i>	Upgrade street lighting in Bassendean and upgrade internal lighting, pool heating and pool pumps in two aquatic centres and a library in Bayswater and Mundaring.	WA	\$647,420	\$1,294,840

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
Brimbank City Council	<i>Powering Down- Realising Greenhouse Reductions in Street Lighting, Municipal Offices and Leisure Centres at Brimbank City Council</i>	Upgrade street lighting and internal lighting, heating, cooling and ventilation systems, hot water systems and improve thermal efficiency in five facilities.	VIC	\$3,584,593	\$7,278,207
Lismore City Council	<i>Upgrade of Pumps, Lighting and Water Heating at Lismore Memorial Baths and Goonellabah Sports & Aquatic Centre</i>	Upgrade pool pumps, lighting, air conditioning and water heating in two facilities.	NSW	\$317,940	\$637,980
Baw Baw Shire Council	<i>Baw Baw Shire Council Street Lighting Bulk Change</i>	Upgrade street lighting across the council area.	VIC	\$489,546	\$1,036,527
North Sydney Council	<i>Installation of Cogeneration at North Sydney Olympic Pool</i>	Installation of a co-generation system to replace current pool heating and space heating and cooling systems.	NSW	\$317,350	\$634,700
Wyndham City Council	<i>Wyndham Leisure and Events Centre Energy Efficiency Project</i>	Installation of a cogeneration plant to upgrade the pool heating, heating, cooling and ventilation systems, upgrade lighting, improve thermal efficiency, and install a pool blanket.	VIC	\$1,496,511	\$2,993,022
Port Stephens Council	<i>Energy Efficiency Upgrade to Heating Ventilation & Air Conditioning System at Port Stephens Council's Raymond Terrace Community Care Centre</i>	Upgrade the heating, cooling and ventilation system.	NSW	\$166,039	\$332,078

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
ACT Government (Community Services Directorate)	<i>ACT Community Facilities Go Energy Smart</i>	Upgrade the lighting, heating, cooling and ventilation system and insulation in 12 community hub buildings.	ACT	\$3,205,000	\$6,523,886
Bankstown City Council	<i>The Bankstown Generation Project</i>	Installation of a tri-generation system to replace current heating and cooling.	NSW	\$2,012,450	\$4,024,900
City of Darebin	<i>Darebin - Pooling Energy Savings</i>	Installation of co-generation plants to upgrade current pool and space heating and upgrade lighting and building management systems and improve thermal efficiency in two facilities.	VIC	\$875,800	\$2,189,500
Frankston City Council	<i>Frankston City Council Arts Precinct Tri-Generation and Microgeneration</i>	Installation of a tri-generation system to replace the heating and air conditioning and hot water systems.	VIC	\$486,035	\$1,011,241
Moreland City Council	<i>Brunswick Town Hall, Fawkner and Coburg Leisure Precincts – Energy Efficient Community Hubs</i>	Upgrade lighting, heating ventilation and air conditioning systems and improve thermal efficiency in three council sites.	VIC	\$725,000	\$1,450,000
Wollongong City Council	<i>Southern Gateway Centre Efficient Lighting Retrofit Project</i>	Upgrade internal and outdoor lighting in the Southern Gateway Centre.	NSW	\$150,000	\$300,000
Frankston City Council	<i>Frankston City Council "Annex43" and "Peninsula Reserve Pavilion" Energy Efficiency Project (FCC APRPEEP)</i>	Upgrade the lighting and heating, cooling and ventilation system and improve thermal efficiency in two facilities.	VIC	\$151,316	\$308,279

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
North Sydney Council	<i>North Sydney Council Energy Efficiency Project</i>	Upgrade the lighting, ventilation and air conditioning and hot water systems in four buildings.	NSW	\$82,732	\$355,232
Council of the City of Sydney	<i>City of Sydney Trigeneration Installation</i>	Installation of tri-generation units in Town Hall House and Prince Albert Pool to replace current space and pool heating systems.	NSW	\$5,000,000	\$17,190,000
Tamworth Regional Council	<i>Upgrade of the Art Gallery Lighting to New Energy Efficient LED Lumiaires</i>	Upgrade internal lighting.	NSW	\$50,000	\$115,610
Willoughby City Council	<i>The Living Building: The Concourse Trigeneration Project</i>	Installation of a tri-generation system to replace current heating and cooling systems for the centre.	NSW	\$699,885	\$1,399,770
Woollahra Municipal Council	<i>Energy Efficiency at Woollahra Council Chambers</i>	Upgrade the lighting and heating, ventilation and air conditioning system and building management control system.	NSW	\$350,000	\$700,000
Wagga Wagga City Council	<i>Oasis Aquatic Centre Co-generation Project</i>	Installation of a co-generation plant at the aquatic centre.	NSW	\$375,075	\$776,520
Brisbane City Council	<i>Change in the Streets - Brisbane's 25,000 Street Lights Retrofit Program</i>	Large-scale retrofit to street lighting across the council area.	QLD	\$5,000,000	\$10,000,000

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
Townsville City Council	<i>Energy Transformation Townsville: An Innovative Adaptive System of Smart Energy Demand Management, Energy Efficiency and Community Engagement</i>	Retrofit outdoor lighting and upgrade energy management systems in a number of council facilities.	QLD	\$813,000	\$1,626,000
Yarra City Council	<i>Richmond Library Energy Efficiency Commercial Demonstration Site</i>	Upgrade lighting and improve thermal efficiency in the library.	VIC	\$179,513	\$359,025
Cardinia Shire Council	<i>Cardinia Life Energy Efficiency Project Including Lighting Upgrade, HVAC Tuning and Microturbine Installation</i>	Upgrade the lighting and heating, cooling and ventilation system.	VIC	\$369,582	\$739,163
City of Greater Geelong	<i>Implementing Geelong's Low Carbon Growth Plan through Energy Efficiency in Council</i>	Upgrade the lighting, heating, cooling and ventilation system and pool equipment in two aquatic centres and upgrade the heating, cooling and ventilation system in the National Wool Museum.	VIC	\$550,000	\$1,100,000
City of Newcastle	<i>Newcastle Smart Buildings Smart Workforce - Integrating Advanced Energy Management Practices and Next Generation Energy Efficiency Upgrades Across High-use Social, Cultural, Recreational and Key Council Operational Sites</i>	Upgrade the lighting and heating, cooling and ventilation systems and improve thermal efficiency in seven council facilities.	NSW	\$1,750,154	\$3,750,154

Organisation Name	Project Title	Project Description	State	Amount Requested	Total Project Cost
Parramatta City Council	<i>Accelerating Energy Efficiency Improvements to Parramatta's Central Business District</i>	Upgrade the lighting, heating, cooling and ventilation system and building management system in the Riverside Theatre and upgrade the lighting in four car parks.	NSW	\$558,585	\$1,187,170
City of Boroondara	<i>Stage 2 - Municipal-Wide Bulk-Change to Safe and Sustainable Street Lighting</i>	Retrofit street lighting across the council area.	VIC	\$460,876	\$2,173,314
Kogarah City Council	<i>Sustainable Lighting Retrofit - Lighting the Way to an Energy Efficient Kogarah</i>	Upgrade open space and outdoor lighting.	NSW	\$62,750	\$125,500
City of Canada Bay Council	<i>City of Canada Bay Council Community Facility Carbon Reduction Project, Retrofitting Concord Oval, Five Dock Leisure Centre, Civic Centre and Council Depot</i>	Upgrade lighting, heating, cooling and ventilation systems and water heating systems in four facilities.	NSW	\$720,000	\$1,440,000
Leichhardt Council	<i>Leichhardt Park Aquatic Centre Cogeneration Project</i>	Installation of a co-generation system to replace the pool and space heating systems and upgrade the building management system.	NSW	\$459,844	\$1,270,670
Cairns Regional Council	<i>Cairns Regional Council - Targeting the Top 20 - Energy Efficiency Upgrades in Council Facilities</i>	Upgrade the lighting, improve thermal efficiency and install smart meters in four facilities.	QLD	\$295,450	\$590,000
